TO OUR PATIENTS:

Suburban Urologic Associates remains a private independent urology practice. As an independent urology practice, we can assure all of our patients that no disruption in care will occur January 1, 2015 when the split between Highmark and UPMC takes place. We will continue to participate in both Highmark and UPMC insurances in addition to their Medicare advantage plans. We will continue to work at Forbes Regional, UPMC East, and Jefferson Regional hospitals. Our physicians continue to be Chief of Urology at all three hospitals.

Our practice, founded in 1958, takes pride in our independent status. We believe that our independent status encourages and promotes excellent unbiased care. We look forward to providing that state-of-the-art care to all of our patients in the years ahead.

Please feel free to direct any questions to our staff.
