FINANCIAL POLICY

Thank you for choosing our office as your health care provider. The following is a statement of our financial policy, which we require that you read and sign prior to any treatment.

INSURANCE:

Your insurance policy is a contract between you and your insurance company. We will submit medical services to your insurance company if you have given us all of the required information. We must have the **most current copy of your insurance card**. You must notify us immediately of any change in your insurance coverage. Please be aware that some, and perhaps all, of the services provided may be considered "non-covered services" according to your policy. You will still be responsible for payment of these services. You are also responsible for obtaining the necessary referrals from your PCP and/or insurance company if applicable. However, authorization from your insurance company does not guarantee payment.

We are participating with most major insurance companies. Please check with your insurance company to determine if we are participating providers. **We will collect the current co-payment required for a specialist office at the time of service.** All patients are responsible for presenting the most current insurance information and paying the most current specialist co-pay. **If you do not pay your co-pay or pay the incorrect amount, you will be charged and responsible for a \$5 assessment fee.** You will also be responsible for payment of any deductibles, co-insurance or non-covered services.

Deductible and co-insurance responsibilities for select procedures will be determined and collected prior to the service. In this instance, our Billing Department will discuss this with you. These amounts must be paid in full or the procedure and/or office visit will be rescheduled.

BILLING:

If you have a financial problem, please ask to discuss a payment plan with our Billing Department (proof of income may be required as verification). A billing statement of medical services received will be mailed to you on a monthly basis. If an extended payment plan has been offered to you, we require regular payments or the plan is void. After that, the account may be turned over to our collection agency. We accept cash, checks, Visa, MasterCard or Discover for payment. In the event that a personal check is returned unpaid from your bank for any reason, your account will be charged with a return check fee.

OTHER INSURANCE FORM PREPARATION:

If you have insurance forms that need to be prepared by our office (i.e. disability, FMLA), we will do these as quickly as possible but they may take several days for completion. A fee will be assessed and collected prior to completion of these forms. Please provide us with the correct address for the forms' return.

MINOR PATIENT (UNDER 18 YEARS OF AGE):

The parent/guardian/adult accompanying a minor child is responsible for full payment. Any patient 18 or over is legally an adult and responsible for his/her bill (regardless of attending college, living at home, or being covered by parent's insurance). We, therefore, cannot release financial or medical information to a parent/guardian without the patient's written permission. If both parents have insurance, the parent with the first birthday in the year is most often the primary insurance. Please check with your insurance policy to determine which company is the primary before your appointment. In divorce cases, the parent who brings the child in for services is the responsible party.

COLLECTION BALANCES:

All collection balances transferred to an outside collection agency, will be assessed a collection fee. If you have had a previous collection balance or are presently in collection, it will be required that you pay your previous balance prior to being seen again. If you are seen by the doctor, we must verify current insurance coverage. You will be responsible for payment of co-payment, deductible, and any non-covered service prior to appointment.

CANCELLATION POLICY:

Please help us provide better service by keeping your scheduled appointment. Notify us at least 24 hours in advance if you are unable to keep your scheduled appointment. Repeated failure to keep appointments may jeopardize your next visit to our office. There is a \$100 Cancellation/No Show fee for **select office procedures**. Our scheduling department will review this with you when the procedure is scheduled.

MEDICAL RECORDS RELEASE:

Please contact our office if it becomes necessary for you to obtain a copy of your medical records. We have a standard records release form that must be completed and signed by the patient. An administrative fee may be assessed for this process.

I have read the above financial policy. I understand and agree to this financial policy.

Understanding Your Protected Health Information

Each time you visit a hospital, doctor, or other person who gives you health care at Suburban Urologic Associates, a record of your visit is made. Usually this record contains information about who you are and where you live, your health problems, the examination and test results done to you, what the doctors think is wrong with you, your treatment and a plan for future care. This information, called your Protected Health Information, serves as a way to:

- plan your care and treatment
- communicate between the doctors and others who take care of you
- make a record telling about the care you got
- show that what SUA billed to you or your insurance was actually given to you
- teach student doctors and others who take care of patients
- do medical research

- tell public health officials about things to improve the health of the nation
- let SUA tell you about what SUA can do for you
- let SUA measure and improve the care SUA gives you

Understanding what is in your Protected Health Information and how it is used helps you to:

- make sure it is right
- better understand who, what, when, where, and why others may look at your Protected Health Information
- make better decisions about who else can look at your Protected Health Information

SUA will do it if it's reasonable. You do not need to tell SUA why you are asking.
2. Asking for Restrictions. You have the right to ask that SUA only use or tell others your Protected Health information so that SUA can take care of you, get paid, or manage its business. Additionally, you have the right to ask that SUA only tell your Protected Health Information to people involved in your care or the payment for your care, such as family members and friends. SUA does not have to say yes to what you ask; however, if SUA does say yes, it must do what it said unless required by law, in emergencies, or when the information is necessary to take care of you. In order to ask for a restriction on SUA's use or disclosure of your Protected Health Information, you must ask in writing to the Privacy Officer at 2580 Haymaker Road, #401, Monroeville, PA 15146. SUA may charge you money for the costs of copying the records you request. These reviews will be conducted by a licensed health care professional chosen by SUA.
4. **Changes.** You may ask SUA to change your Protected Health Information if you think it is wrong or not complete, and you may ask for a change for as long as your Protected Health Information is kept by or for SUA. To ask for a change, you have to fill out a SUA form called an amendment form in writing and give or mail it to the Privacy Officer at 2580 Haymaker Road, #401, Monroeville, PA 15146. You must tell SUA what is wrong or not complete. SUA may say no if you do not fill out the whole form. Also, SUA may say no if SUA thinks (a) your Protected Health Information is accurate and complete; (b) what you ask is not about your Protected Health Information; or (c) is about Protected Health Information that SUA didn't make.
5. **Accounting of Disclosures.** You have the right to ask for an "accounting of disclosures." An "accounting of disclosures" is a list of who SUA has told your Protected Health Information to and what SUA told them. The list will NOT include disclosures SUA told others so that SUA could take care of you, get paid, manage its business or which you requested by an Authorization per #8 below in this section. In order to obtain an accounting of disclosures, you must fill out the SUA form called an accounting form and give it or mail it to the Privacy Officer at SUA, 2580 Haymaker Road, #401, Monroeville, PA 15146. All accounting forms must state the period of time you want the list for, which cannot be more than six years or before April 14, 2003. The first list you ask for within a 12-month period is free, but SUA will charge you for additional lists within the same 12-month period. SUA will notify you of the costs involved each time you ask, and you may decide not to ask if you don't want to pay.
6. **Right to a Paper Copy of This Notice.** You may ask for a copy of this notice any time. To get a paper copy of this notice, contact the Privacy Officer at SUA, 2580 Haymaker Road, #401, Monroeville, PA 15146.
7. **Right to File a Complaint.** If you think your privacy rights have not been followed, you may file a complaint with SUA or with the Secretary of the Department of Health and Human Services of the United States. To file a complaint with SUA, contact the Privacy Officer at 2580 Haymaker Road, #401, Monroeville, PA 15146. All complaints must be in

writing. You will not be penalized for filing a complaint, and SUA will still take care of you no differently because you file a complaint.

8. Right to Give an Authorization for Other Uses and Disclosures, SUA will get your permission in writing (called an "authorization") any time SUA wants to use or tell somebody else your Protected Health Information in a way not told to you in this notice or permitted by the law. Any authorization you provide regarding the use and telling of your Protected Health Information you may take back at any time. This must be done in writing by contacting the Privacy Officer at SUA, 2580 Haymaker Road, #401, Monroeville, PA 15146.
